The Annual Quality Assurance Report (AQAR) of the IQAC

AQAR June 2020- May 2021

<u> Part – A</u>

Data of the Institution

(Data may be captured from IIQA)

1. Name of theInstitution

:C.S.T.S. Government Kalasala, Jangareddigudem

- Name of the Head of the institution: P. Divakara Rao
- Designation: Principal (FAC)
- Does the institution function from owncampus:**Own**
- Phone no./Alternate phoneno.:08821 225310
- Mobileno.:7989957214
- Registerede-mail:jangareddigudem.manatv@gmail.com
- Alternate e-mail: jangareddigudem.manatv@gmail.com
- Address :Sreenivasapuram road
- City/Town :Jangareddigudem
- State/UT :West Godavari
- PinCode :534447
- **2.** Institutionalstatus:
 - Affiliated /Constituent:Affiliated
 - Type of Institution:Co-education/Men/Women : Co Education
 - Location :Rural/Semi-urban/Urban:Semi Urban
 - Financial Status: Grants-in aid/ UGC 2f and 12 (B)/ Self-financing :UGC 2(f) and 12 (B)
 - Name of the AffiliatingUniversity: **AKNU University**, **Rajamahendravaram**
 - Name of the IQAC Coordinator: P. Mahalakshmi Naidu
 - Phone no. : 9491764463
 - Alternate phoneno.
 - Mobile:

- IQAC e-mail address:gdcjangareddigudem.iqac@gmail.com
- Alternate e-mailaddress: jangareddigudem.manatv@gmail.com
- **3.** Website address:

Web-link of the AQAR: (Previous Academic Year):

4. Whether Academic Calendar prepared during the year? Yes/No

if yes, whether it is uploaded in the Institutional website: $\ensuremath{\mathbf{NO}}$

Weblink:

5. AccreditationDetails:

Cycle	Grade	CGPA	Year of Accreditation	Valid	ity Period
1^{st}	В	76.40	31-03-2007	from: 2007	to: 2012

7. Provide the list of funds by Central/ State Government-NIL

UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGCetc.

Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount

8. Whether composition of IQAC as per latest NAAC guidelines:Yes/No:YES

*upload latest notification of formation of IQAC

9. No. of IQAC meetings held during theyear:02

Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website?

Yes/No.....:YES

(If No, please upload the minutes of the meeting(s) and Action Taken Report.)

Whether IQAC received funding from any of the funding agency to support its activities during the year? Yes No

If yes, mention he amount: Year:

- 11. Significant contributions made by IQAC during the current year (maximum fivebullets)
 - * Support to all departments to conduct all types events
 - * Support to all department to conduct certificate courses
 - * Encourage faculty to involve in Research related activities
 - *Access to G-Suite Education Fundamentals to facilitate online teaching during COVID-19
 - *
- Plan of action chalked out by the IQAC in the beginning of the Academic yeartowards Quality Enhancement and the outcome achieved by the end of the Academicyear

Plan of Action	Achievements/Outcomes

- **13.** Whether the AQAR was placed beforestatutorybody?
 Yes /No:NO

 Name of the statutorybody:
 Date ofmeeting(s):
- 14. Whether institutional data submitted to AISHE: No

Yes /No: Year: Date of Submission:

Extended Profile of the Institution

1. Programme:

1.1 Number of courses offered by the Institution across all programs during theyear

Year	2020-21
Number	08

2. Student:

2.1 Number of students during the year.

Year	2020-21
Number	227

2.2 Number of seats earmarked for reserved category as per GOI/ State Govt. rule during the year

Year	2020-21
Number	175

2.3 Number of outgoing/ final year students during the year

Year	2020-21
Number	209

3. Academic:

3.1 Number of full time teachers during the year

Year	2020-21	
Number	22	

3.2 Number of Sanctioned posts during the year

Year	2020-21
Number	19

4. Institution:

4.1 Total number of Classrooms and Seminarhalls 13 +1

4.2 Total expenditure excluding salary during the year(INR inlakhs)

Year	
Expenditure	

4.3 Total number of computers on campus for academic purposes: $\underline{40}$

Criterion 1 – Curricular Aspects

Metric No.	
	The Institution ensures effective curriculum delivery through a well planned and documented process
Metric <u>No.</u> 1.1.1. Q ₁ M	The Institution ensures effective curriculum delivery through a well planned and documented process Response: College prepares Annual Curricular Plan based upon the syllabus provided by AdikaviNannayya University. The curriculum is effectively implemented in the institution through annual academic plan, Time table, curricular and co- curricular activities and through continuous assessment in the form of unit tests, term examinations and annual examinations. Academic Monitoring Committee is constituted for dissemination and effective implementation of the curriculum. Innovation in model curricula by incorporating project work to enhance the students' understanding of the subject has been made for the sake of knowledge enrichment. Field work, study tours and special lectures by eminent academicians generate curiosity and a desire for greater information on particular aspects of the curriculum. Field work, study tours and special lectures by eminent academicians generate curiosity and a desire for greater information on particular aspects of the curriculum. The teaching faculty on their part are encouraged by the UGC (in collaboration with the University) to attend various seminars and workshops, besides participating in the Refresher Courses, Orientation Programmes and Special Language Training Programmes. Teachers in charge of National Service Scheme and similar other co-curricular activities have also benefitted from training programmes organized by relevant agencies. Induction training programmes are also arranged by the Commissionerate of Collegiate Education to the newly recruited lecturers for enhancing their teaching skills of the faculty and effective translation of curriculum to the students. The college covers a broad spectrum of academic programmes in the form of curricular activities like Lecturing, Tutorials, Seminars, MANA TV Lessons and ICT based teaching for effective delivery of the curriculum. The faculty members have undertaken sincere and serious efforts in keeping themselves abreast of the co
	industries and commercial enterprises through industrial visits and interactions with leading business men in this area. Various departments of the college are arranging field trips to the nearby villages, industries and places of importance as a part of academic programmes and for effective implementation of the curriculum.

Key Indicator – 1.1 Curricular Planning and Implementation

1.1.2.	The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)			
QıM				
	Response:			
	The college follows annual academic calendar of the AdikaviNannaya			
	University, Rajamahendravaram, AndhraPradesh. Examination committee of			
	the college announces dates of Examination as per the University schedule.			
	Mid Examination Answer scripts are given to the students to know their			
	lacunae and marks. Dates for conducting / submission of assignment and			
	submission of marks are all displayed on notice boards by the Examination committee. The decision regarding dates for conduct of assignments depends			
	on the concerned departments.			
	In odd semesters, internal evaluation is done in practical examination			
	where as in even semesters internal evaluation and external evaluation takes			
	place to award the markes in practical examination.			
1.1.3.	Teachers of the Institution participate in following activities related to curriculum			
	development and assessment of the affiliating University and/are represented on			
QnM	the following academic bodies during the year			
	Year 2020-21			
	Number 01			
	Number 01			
	1. Academic council/BoS of Affiliating University			
	2. Setting of question papers for UG/PG programs			
	3. Design and Development of Curriculum for Add on/ certificate/			
	Diploma Courses			
	4. Assessment /evaluation process of the affiliating University			
	Options			
	1. All of the above			
	2. Any 3 of the above			
	3. Any 2 of the above			
	4. Any 1 of the above			
	5. None of the above			
	RESPONSE:4

Key Indicator- 1.3 Curriculum Enrichment

1.3.1.	Institution integrates crosscutting issues relevant to Professional Ethics,
	Gender, Human Values, Environment and Sustainability into the Curriculum
	Response :
	The instructions inculcates good habits among the students by imparting
QıM	social issues related to gender , environment and human values.
×1	AdikaviNanaya University Rajamahendravaram introduced foundation
	courses such as a Environment studies, human values and ethics the instution
	is commited to full fill its core values . The syllabus comprises of the human
	rights and value education and environment science in the curriculum. Many
	program such as Guest lectures, workshops, seminars and Extension Activities
	related to social issues are conducted by NSS ,Women Empowerment cell.
	The objective of having these subjects in curriculum is to make the students aware and sensitizes human values and ethics ,environmental awareness in real life situations .
	To facilitate the development of holistic perspective among students
	towards life ,profession and happiness .
	Such a holistic perspective forms the basis of value based living in a
	pragmatic way.
	Human values and professional ethics :
	AdikaviNannaya University, Rajamahendravaram introduced a foundation
	course in human values and professional ethics for undergraduate students
	from the academic year 2013-2014 with an aim to impart human values and
	professional ethics among the students. The courses are a part of initiative to
	raise human values among students. The need of value base education is
	crucial in a contemporary society.
	Objectives :
	1. To lay a strong foundation in value based living .
	2. To create awareness in students towards realizing self and the effect of right

3. To respect people's rights and dignity. The students are able to recogenize important of human values ,harmony and ethical behavior in real life situations for peaceful cooperative co-living

4. To inculcate a sense of respect among the students towards harnessing values of life.

Environmental studies :

Environmental studies help students providing basic knowledge about the environment and its allied problems. This studies help to understand problems of environmental degradation due to anthropogenic activity. Environmental friendly behaviour is inculated among the students. The course aims to change a transformation on the various aspects of environment and its protection. In turn Environmental studies leads to Sustainable Development. *Gender Equality*

Key Indicator- 2.2. Catering to Student Diversity

Metric						
No.						
2.2.1.	The institution assesses the learning levels of the students and					
QıM	organizes special Programmes for advanced learners and slow learners					
	The institution assesses the learning levels of the students in two ways at the					
	time of the commencement of the academic year. Students, enrolled in various					
	disciplines, are classified into as slow and advanced learners based on their +2					
	marks and an entry level test conducted by each department. This helps to					
	identify the slow learners and to design special coaching sessions or tutorial					
	sessions to bridge the gap between the slow learners and the advanced					
	learners. The teachers of the respective classes extend valid support in					
	classifying the students with reports based on observations and class tests.					
	The institution organizes Orientation programmes /Induction					
	programmes for freshers both at the college level and at the department level.					
	The physical facilities in college and the scope of academic excellence are					
	introduced in these sessions. Apart from this, sessions are also included to					
	inculcate positive attitude and competitive spirit and communication skills to					
	the learners. This process helps as a base for monitoring the future progress					
	of the students.					
	Bridge Courses are conducted at the departmental level to lift the					
	students. The Departments organize bridge courses at the level of					
	understanding of the students who have come from different subject					
	background at +2 levels. This enables the students to cope with the					
	programme to which they are enrolled.					

Strategies adopted for slow learners: Remedial classes are conducted with an aim to improve the academic performance of the slow learners, absentees and students who participate in sports and other activities. • This practice helps the slow learners to improve subject knowledge and helps them catch up with their peers. Group Study System is also encouraged with the help of the advanced learners. The student counselors assess the nature of their problems and then • motivate them to reach their academic goals. • Bilingual explanation and discussions are imparted to the slow learners after the class hours for better understanding. Simple and standard lecture notes/course materials are being provided to the students on a regular basis. Strategies for the advanced learners Special coaching classes for the top five students in proficiency in each class after the internal tests are conducted regularly to secure University ranks. Professional coaching classes are conducted in Skill Development • Programmes like Communicative English, Aptitude and Arithmetic Components. • Advanced learners are encouraged to enroll in MOOCs – Swayam, EdX, Coursera..etc • Additional learning and reference materials are provided. • Assignments and student seminars on contemporary topics to enable them for placement are conducted. • Advanced learners are provided coaching for competitive exams. Students are encouraged to participate and present papers in various • Seminars/Conferences/Workshops/Inter-Collegiatecompetitions organized by other colleges. Students representing the college in various inter-collegiate meets are • allowed to take the internal exams at alternative dates. Participation by the students in the in-house competitions such as Debate, Group Discussion, Problem Solving – Decision Making Exercises and Quiz Programmes are also encouraged. Talented students are motivated to participate in extra-curricular ۲ activities, exhibitions and cultural competitions. The academic achievements of the students are highly commended and the students who show high proficiency, students who secured ranks in the University examinations, are honored with medals and cash prizes on the Annual Day.

2.2.2	Student- Full time teacher ratio (Data for the latest completed academic year)								
•	Year	2023-24	2022-23	2021-22	2020-21	2019-20			
Qn M	Total Number of Students enrolled in the Institution				603	596			
	Total number of full time teachers in the Institution				22	24			
	Student:Teacher				27:1	25:1			

2.3.1. Key Indicator- 2.3. Teaching- Learning ProcessStudent centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

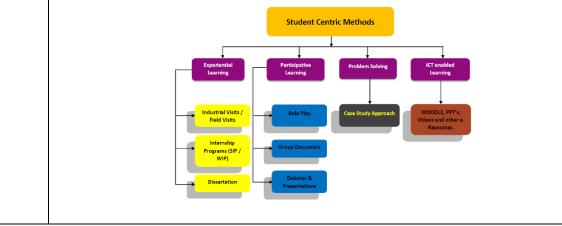

> Teaching-learning methods adopted by the faculty members include Lecture Method, Interactive Method, Project-Based Learning, Computer-Assisted Learning, Experiential Learning etc. The Teaching – Learning activities are made effective through illustration and special lectures. Lessons are taught through Power Point Presentations through the digital boards to make Teaching-Learning activity interesting besides oral presentation methods thoroughly.

Lecture method:

This conventional method is commonly adopted by all the teachers, especially language teachers. This method facilitates the teachers to interpret, explain and revise the content of a text only for better understanding of the subject by the learners.

Interactive method:

The faculty members make learning interactive with students by motivating student participate in Group Discussion, Role-Play, subject quiz, news analysis, educational games, discussions and questions and answers on current affairs.

1. Experimental Learning:

The faculty members foster learning environment by engaging in rich experiential content of teaching through experience, through demonstration, visual aids, periodical industrial visits, organizing exhibitions, presenting papers, analyzing case studies and participating and conducting quiz on theory topics.

- Experimental/Laboratory method is used in science subjects to acquaint the students with the facts through direct experience individually. Students verify the facts and laws of the subject with the help of experiments.
- Industrial Visits/Field Visits

Industry visit is a part of the education, during which students visit companies and get insight into the internal working environment of the company. It also sensitizes students to the practical challenges that organization face in the business world. Moreover, it gives exposure to the practical working environment. In addition to industrial exposure and knowledge, this will increase the internship and placement opportunities. Industrial realities are opened to the students through their industrial visits.

• CSP

In accordance with the New Education Policy, every student learner conducts a Community Service Project (CSP) survey in his /her respective habitation from the academic year 2020-21 at the end of the survey, he /she prepares a project with all the findings based on the answers given to the questionnaires supplied to the villagers to understand their socio- economic and cultural aspects and submit the same to their concerned mentors in the form of a booklet. It is followed by a viva-voce in which three faculty members are constituted as a panel and cross- check the findings in the project report. This CSP is conducted by every UG student at the end of the second semester for one month.

Participative Learning

• Role Play

Role playing is a learning structure that allows students to immediately apply content as they are put in the role of a decision maker who must make a decision regarding a policy, resource allocation, or some other outcome. This technique is an excellent tool for engaging students and allowing them to interact with their peers as they try to complete the task assigned to them in their specific role. This work can be done in cooperative groups and/or students can maintain the persona of their role throughout the class period. Students are more engaged as they try to respond to the material from the perspective of their character.

• Group Discussion

Group learning allows the slow learners to develop problem solving, interpersonal, presentational and communication skills to confirm quality in learning with peer group. Under group learning, heterogeneous group of students comprising fast, average and slow learners are divided into groups of 5 to 10 members. Group Discussion, Group Projects or Assignments are conducted by the individual department under group learning method.

• Debate & Presentations

Faculty members are well acquainted with use of ICT during class room teaching and lectures are given through Power Point Presentation by most of the faculty members, and e-contents are also provided to students.

1. Problem Solving

- Case Study Approach: The case method is a participatory, discussionbased way of learning where students gain skills in critical thinking, communication, and group dynamics. The students in the college are encouraged to use case studies in diverse fields of Computer Science, Commerce and Physics.
- 2. ICT enabled learning: ICT enabled learning includes Wi-Fi enabled class rooms with LCD, Digital boards, Language Lab, Smart Class rooms, Elearning resources. Virtual class room links the guest lecture of eminent persons to develop their core knowledge in the subject. The institution adopts modern pedagogy in line with emerging trends to enhance teaching-learning process. The institution has the essential equipments to support the faculty members and students.

Regular practical sessions, online grammar test, use of LCD projectors for seminars and workshops, productive use of educational videos, accessibility of non-print material for students of Computer studies are available. The Department of English conducts career oriented courses and communication skills training to students during Language Lab sessions. Open Source Tools are effectively used to train students to acquire proficiency in listening, speaking, reading and writing. Office Automation and Accounting software, online trading – job oriented courses are offered by Department of Computer Sciences & Commerce.

Online reference, lecture talks, motivational talks, educational videos and web references support the teaching-learning process. The institution has installed Wi-Fi on the campus to support the educational activities of the inmates. All the departments provide instructional materials to the students for easy follow-up / understanding the concepts on the college website. Learning resources and useful websites are made available in the college website & library which serve as a ready link to access the portals of information and gain knowledge.

2.3.2.	Teachers use ICT enabled tools for effective teaching-learning process.
0.14	Education around the world is experiencing major paradigm shifts in
QıM	educational practices of teaching and learning under the umbrella of ICT
	enabled learning environment. Though learning through facts, drill and
	practices, rules and procedures was more adaptive in earlier days, learning
	through projects and problems, inquiry and design, discovery and invention,
	creativity and diversity, action and reflection is perhaps more fitting for the
	present times. The major hallmark of this learning transition is from teacher
	centered to learner focus paradigm.
	In our college, Teachers use ICT for effective teaching with Learning
	Management Systems (LMS), E-learning resources etc.
	Learning Management System (LMS) & E – Learning Resources
	> Information & Communications Technology (ICT) enabled teaching
	methodologies and advanced technology are being followed by the
	faculty members in class rooms.
	> The use of multimedia teaching aids like, LCD projectors, Digital
	Boards, classrooms with internet enabled computer/laptops/tablet
	systems are usually in use in classroom.
	 The faculty members effectively utilize Audio Visual aids to
	demonstrate the concepts to the students using the resources from
	National Programme on Technology Enhanced Learning (NPTEL) to
	enhance the learning experience.
	 > USB Hard disk containing web and video courses (offline) from
	NPTEL are accessible to faculty and students from the server installed
	in the library. These courses are the part of LMS. Also Available on
	local Server.
	 Sufficient number of books, Journals, competitive magazines available
	in the library.
	 All the departments conduct seminars, workshops and guest lectures
	on the new developments in the core subjects for effective teaching and
	learning by the faculty members and students in each semester.
	 Seminar hall is equipped with multimedia facilities using ICT tools.
	Invited talks and webinars are conducted in seminar hall using ICT
	facilities.

Metric No. Key Incator- 2.5. Evaluation Process and Reforms

2.5.1.	Mechanism of internal assessment is transparent and robust in terms of
QıM	 <i>frequency and mode</i> The CIA pattern of the internal assessment of examinations is the mirror of the success of Teaching. This helps in upgrading the graph of
	students' academic success.
	 Students are briefed through faculty-wise opening addresses in orientation and Induction programmes by the Principal/Vice- Principal/Coordinator about internal assessment, question paper patterns and university examinations.
	• The schedules of internal assessments are communicated to students and faculty in the beginning of the semester through institute academic calendar.
	• Schedule for end semester examinations will be communicated during the semester as and when schedule is released by the affiliated AKN University.
	• Students are given general instructions regarding the evaluation methods of University answer scripts. The periodic instructions issued by the university are promptly communicated to the students. Such instructions are read in the classrooms and the copy of the same is displayed on the student's paties beaud
	 displayed on the student's notice board. The university norms relating to course-wise examination pattern are communicated to the students through the college prospectus. The university circulars in this regard are circulated to the faculty members and administrative staff time to time and are also displayed on the notice boards for students.
	• Evaluation methods and examination schedules are made available on the college websites.
	• Changes in schedules, patterns, methods if any, are immediately notified to the students through notice boards and also through classroom briefing by the concerned subject teachers.
	• Internal examination schedule is displayed on notice board in advance. Two internal examinations are held per semester.
	Theory subjects are assessed through:
	• Two internal tests ie Mid I and Mid II through CIA pattern.
	• University external test
	Assignments
	• Seminars
	Practical subjects are assessed through:
	• Two internal tests
	• University external lab exam
	Mini projects

Assignments:

Assignment questions are discussed with students. The students submit 6/8 assignments in each semester in all subjects.

Practical Examination:

Evaluation is done with transparency based on different parameters like teachers assessment, practical records, Performance and Viva-Voce.

Mark Distribution of Practical Subjects:

S.N	Evaluation Parameters	Weightage
0		vv eightage
1.	Continous Internal Assesment-Mid Exams-15	
	Assignments-5	25
	Student Semin -5	
	Clean&green andAttendance-5	
2.	Semester end Examinations	75
3.	Practical Exam	50
	Total	

The internal assessment mark lists are displayed on the notice boards.

The subject teacher briefs the students in the classroom about their attendance and

performance in the internal examinations.

*It is a practice of the college to show internal examination answer books after evaluation to the students in the class for self-evaluation.

Students are free to interact with the teacher to resolve grievances if any, regarding the assessment.

*Continuous assessment report for all the courses is displayed in respective laboratories every month.

*Staff meetings are conducted periodically to review the evaluation process. *Display all unit tests marks within a week after end of Mid exams .

At the end of each semester, The Principal verifies the internal marks for all the students.

*To ensure the transparency and curb the malpractices the University has introduced jumbling system and theory end examinations are conducted.

The end examination for the laboratory and projects shall be conducted with internal and external examiners appointed from the other colleges as decided by the University.

Projects work assessment:

The project work starts during end of Fifth semester. Senior faculty members, HOD and Project Coordinators select one project for each group considering the quality, relevance, University norms. Projects are selected in line with Department mission, vision, PEO, PO and PSOs. Students submit 3 to 5 project abstracts to the department project coordinator along with their project group members and the area of interest. The list of previous year projects is displayed in the notice board which ensures no repetition of project work and also encourages students to enhance the previous works. Faculty members encourage students to do in house projects. They will be provided with necessary hardware and software support.

The project assessment is done through:

- Four Internal project reviews
- Final external university project review

We also encourage them to display their projects at Inter-District and Inter University level project exhibitions every year. Students are also encouraged to present their project ideas in conferences.

Seminar Assessment:

In final year students have seminar in their curriculum. The students have to select a recent and innovative topic and present in front of seminar coordinator, department faculty and their class students. The seminar presentation are assessed based on:

- Topic selection
- Presentation
- Report preparation

2.5.2. *Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient* QIM Departmental Level:

After evaluation of internal assessment answer scripts, the scripts are given to students to have an idea of their performance in the test. If they come across any doubts, clarification is given which enables them to fare better in future. By adopting the criteria as per the direction of affiliating University, complete transparency is maintained in internal assessment tests.

After preparing the assessments report it is shown to the students, if any grievances is there, then it can be resolved immediately and submitted by the concerned faculty to the department The continuous evaluation of students is carried out by faculty regarding theory lectures, labs, assignments, mid-semester tests. The midterm marks are allotted based on defined strategies and displayed on notice board. Query, if any, is discussed with faculty and HOD.

College Level:

The college follows strictly the guidelines and rules issued by the affiliating University while conducting internals and semester-end examinations. The institute appoints a senior Supervisor for smooth conduction of examinations of University. If students are facing any problems, they are solved by the institution. The grievances during the conduction of online/theory examinations are considered and discussed in consultation with the Principal and if necessary forwarded to the University by examination section.

Redressal of grievances at University level:

Any grievances related to University question paper like out of syllabus, repeated questions, improper split of marks, marks missed, wrong question number during semester exams are addressed to the Principal, after making an analysis of day by day university question papers by the subject handling faculties with Department Head in turn he proceeds the same to the university immediately. University decision or information after resolving the grievances is intimated immediately to the concerned departments, once it is obtained through the principal. It is also conveyed to the students through class coordinators and subject handling faculties.

The queries related to results, corrections in mark sheets, other certificates issued by University are handled at AKNU examination section after forwarding such quires through the college examination section. Students are allowed to apply for revaluation, recounting and challenged evaluation by paying necessary processing fee to University if they are not satisfied with the university evaluation through college.

QI M	 of the Programmes offered by the institution. > Programme outcomes, programme specific outcomes and course outcomes for all theprogrammes offered by the institution are stated and displayed on website and communicated to teachers and students. > The curriculum of the programmes is designed by the university.The college teachers have to define the programme outcomes for each programme offered by the college. > The curriculum of self-financed certificate courses and their programme outcomes are designed by the concerned teacher in charge. Mechanism of communication All the departments in our college conduct regular programmes along with specific additional course. The teachers are asked to define their programme outcomes are displayed on the notice board of each department. These outcomes are displayed on the notice board of each department The students are informed about these outcomes in the induction meeting of the principal. In the departmental alumni meeting, discussion on these outcomes is made intentionally in the presence of the students. College has started many self-designed certificate courses. Their programme outcomes are also clearly stated and displayed on the college websites. They are also communicated to the students in regular classes Besides, the respective departments where these courses are run also make the students aware of students in the light of POs, PSOs and COs is domiregularly that help our faculty to know how well their students understand the various topics present in the course. The assessment of students provides a feedback to the faculty and benefit in improving the teaching learning process. College makes every effort to make the students acquire a complete understanding and the skills along withwell-developed personality. The programme outcomes are measured over a pe

- **2.6.2.** Attainment of Programme outcomes and course outcomes are evaluated by the institution.
- QIM

The process for the evaluation of the students in different subjects is followed as per the rules and regulations of the University authorities, Board of Examinations and Faculty. The implementation of the syllabi with changes and the process of evaluation of the learners are monitored by the university authorities, the management of the College and the Principal. Our institution motivates the teachers to organize workshops as well as deputes to participate in the seminars and conferences. Moreover, they are encouraged to present and publish research papers to achieve the Course Outcomes and Programme Outcomes successfully. Internal assessment is the requirement of the continuous assessment and is essential for the fulfillment of the COs and POs. There is an internal college examination committee that deals with the effective implementation of the evaluation reforms regarding the attainment of course outcomes and programme outcomes. The committee initiates such measures as Mid exams, Field Survey, Study Tours, Practical Work, Seminars etc. Besides, our College also tries to attain the course outcomes and program outcomes by conducting the activities such as cultural activities, N.S.S. Activities, Career Counseling, Personality Development Program, and Communication Skills, Various collegiate and inter-collegiate competitions, organizations of scholarly lectures, Health Awareness Programs, Life Skills Development Program, Participation in University Level Research Competition (Avishkar), and Youth Festival etc. In addition to this, students are encouraged to develop their creativity in literature in the form of writing articles, poems and essays etc. for the College Annual Magazine (Akshargandh). This magazine is submitted for the magazine competition at University level. In this magazine competition, the best articles, poems are selected and rewarded by the University. The institution has introduced Career Oriented Courses such as Communicative English and Tax Practices to attain the COs and POs. Moreover, the huge playground of our College is used to organize zonal and Inter-zonal sports competitions. Sportive skills are inculcated amongst the students through these competitions.

Criterion 4 - Infrastructure and Learning Resources

Key Indicator – 4.1 Physical Facilities

Metric No.	
4.1.1. QıM	The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.
	The institution has inadequate classrooms and precarious tiled roofed class
	rooms since its inception in 1974. Due to the absence of permanent principal post
	till 2021 for nearly 47 years the tiled roofed class rooms have become the sole
	source for class rooms. Due to the paucity of the funds despite the initiation of
	RUSA, Naadu Nedu, Special provision funds from CCE, no new class rooms have
	come up except a science block consisting of 6 class rooms in the recent past. The
	functioning of government polytechnic college in the premises has been the
	another important reason for lack of adequate class rooms and laboratories. The
	donors and alumni help was limited to the renovation of girls waiting hall alone
	in the recent past.
	There are 09 class rooms existing now but to cater all 08 groups, which
	actually need 24 rooms for class work. The institution has 05 laboratories.
	Computers, Physics, Chemistry, English, Commerce, Botany, Zoology labs are
	existing now in 05 rooms.
	The institution has one virtual class room and one library and seminar
	hall. Some of the labs and other rooms are fitted with digital TVs and all rooms
	of the institution are equipped with public announcement system.
	Recently under RUSA 2.0 two computer labs with 50 computers and 4
	interactive digital TVs have come up and the library under SC/ST book bank
	scheme, nearly 14,000 books were procured for the benefit of the students.
4.1.2.	The Institution has adequate facilities for cultural activities, sports, games
QIM	(indoor, outdoor), gymnasium, yoga centre etc.
	The institution has no separate facility for cultural activities. The existing open
	auditorium is restricted to the provision of STAGE with shed coverage alone. The institution do not possess any separate provision for theatre/performing arts.
	music or any other cultural activities like dance, mime, puppet show etc.,
	The institution has one gym facility but due to the continuous leakage

Tennis, Chess ,Carroms etc., but due to lack of maintenance due to different reasons, the existing TT table lost its efficiency and due to the paucity of funds the problem of inadequate sports equipment disturbs the students'/coach' interest. The institution's biggest asset is its outdoor play ground nearly 16 acres Different games like kabaddi, volleyball, shuttle, kho-kho, athletics, cricke hockey, football are played regularly and soft ball brought laurels to th institution in the different district/state/national level tournaments. There is no specific/special provision for yoga/meditation centre in th		from the top floor polytechnic college wash rooms, the maintenance has become horrible and troublesome.
the problem of inadequate sports equipment disturbs the students'/coach' interest. The institution's biggest asset is its outdoor play ground nearly 16 acres: Different games like kabaddi, volleyball, shuttle, kho-kho, athletics, cricke hockey, football are played regularly and soft ball brought laurels to the institution in the different district/state/national level tournaments. There is no specific/special provision for yoga/meditation centre in the institution. The existing open auditorium stage is being used for occasional yog practice. 4.1.3. 4.2.4	Number per day usage of library by teachers and students (foot falls and login
0 M	data for online access)(Data for the latest completed academic year)
QnM	4.2.4.1Number of teachers and students using library per day over last one year
	Data Requirement
	• Upload last page of accession register details
	Method of computing per day usage of library
	Number of users using library through e-access
	• Number of physical users accessing library
	The HEI is requested to calculate the teachers and students usage library per
	day.
	Average usage of the library by the college = Total no. of teachers & students in
	each day for all working days / Total no. of working days 40
	(Note: Data template is not applicable to this metric)

Key Indicator- 4.3 IT Infrastructure

Metric	
No.	
4.3.1.	Institution frequently updates its IT facilities including Wi-Fi
QIM	The entire campus is Wi-fi enabled with high speed internet connection to allow the students to access the internet no-matter wherever they are. The coverage is not just limited to the classrooms, instead it extends to all the facilities within the campus premises.Staff and Students are informed to utilize the Wi-Fi Facility by Registering their I -connect devices for the active usage of the facility.
4.3.2.	Student – Computer ratio
	Number of students : Number of Computers Data
QnM	Requirements:
	 Number of computers in workingcondition – 40 Computers
	• Total Number of Students - 603
	 Student – computer ratio – 9 - 1

4.3.3.	Bandwidth of internet connection in the Institution
QnM	The College is having internet facility with bandwidth of 15 to 20 mbps provided
	by Bharat Sanchar Nigam Limited (BSNL)
	Options: C
	A. \geq 50MBPS
	B. 30 - 50MBPS
	C. 10 - 30MBPS
	D. 10 - 5MBPS
	E. < 5MBPS
	Data Requirement:
	• Available internet band width

Key Indicator- 5.4 Alumni Engagement

Metric			
<u>No.</u> 5.4.1 QIM	There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.CSTS Govt. Kalasala has an alumni association though it has not been registered yet. A member of the teaching fraternity has been deputed to maintain the details of the alumni and to keep in regular touch with them. The association is gaining in strength steadily with more and more old students		
	showing keen interest to pay back to the college in goodwill. The developmental activities undertaken by the college administration have also infused enthusiasm among the alumni fraternity to actively involve in the betterment and development of the college.		
	The association has also donated 5 ceiling fans and 10 tube lights to the college which was ensured that all the classrooms are equipped with lights and fans.		
	The association has also pledged to pool resources for the construction of the damaged compound wall overlooking the play ground of the college. The alumni association has kept in regular touch with the college authorities and has also organize a couple of alumni meetings in the college premises in which they have re-affirmed their love for the college and the zeal to contribute towards the development of the college.

Criterion 6- Governance, Leadership and Management Key Indicator- 6.1 Institutional Vision and Leadership

Metric				
No.				
6.1.1	The governance of the institution is reflective of and in tune with the vision and mission of the institution			
QIM				
	• To offer qualitative, comprehensive tutelage and pedagogy which equips the learner –stakeholders with knowledge and skills in their chosen branches of learning; and to infuse the sought-after ethics, ideals and integrity; and to discover and tap the inherent capabilities; and to expose them to various avenues of employability which unleash their latent potentials to realize their long-cherished goals and dreams and thus transforming them into holistic individuals endowed with self-reliance, leadership qualities and humanity.			
	Mission:			
	 To exert to impart modular education with the precept of 'education towards enrichment' and prepare the young minds to be imbibed with knowledge, skills and sensibility. To address the scholastic needs, without any prejudice or sectionalism, of the socially and economically under privileged the sections of the society whose wards are devoid of the right to knowledge. To disseminate knowledge in such a way that the learners should obtain the competencies and skills to seek employability and pursue higher 			
	 To adopt and furnish the learner-centered approach and environment with the up-to-date state of the art technical wisdom to empower the 			
	students and to enlarge their sphere of knowledge.			
	• To extend the value-based and employment-guaranteed education to foster the financial empowerment through the motto 'campus to industry' orientated academic curriculum.			
	• Ultimately, in compliance to the policies of the University and the Government with focus on sharing and spreading knowledge, it is aimed to transform the students from being learners to become professionals by acquiring the needed the confidence and to attain employment.			

- 6.1.2 *The effective leadership is visible in various institutional practices such as decentralization and participative management.*
- QIM College Development Committee comprising of representatives of • management, principal, students' representatives, Department representative, faculty, staff members, industry experts and alumni is formed to deal with development plan of the college regarding academic, administrative and infrastructural growth and to enable college for addition of curricular, co-curricular and extracurricular activities. The Principal gives directives to the CPDC members to prepare the annual budget. The CPDC members conducts a meeting with all the faculty members of the department and asks them to submit requirements along with relevant quotations, depending upon the need of the syllabus and current industry trends. For the acquisition of goods and services, including requisition preparation, funds approval, payments to suppliers, and follow-up inquiries, college practices decentralization by providing operational autonomy to the departments. Further, CPDC members prepares a consolidated report and submits it to the Principal for approval.
 - The Principal consolidates requirements of all the departments and executes the summary report and sanction the budget. Apart from this, there are 30 different committees with well-defined functions that give academic and administrative leadership to the College. A committee comprising of administrative staff and faculty members i.e. Academic Council Committee is recommend on the enhancement of student facilities, students' life and experiences at the Campus.
 - Its responsibilities are
 - (1) Prepare the Academic Calendar before starting of the semester with the approval of the AP-CCE, University and APSCHE-Higher Education.
 - (2) Track the Syllabus completion of Theory/Lab for all the departments.
 - (3) To exercise general supervision methods of instruction, evaluation, and improvements in academic standards.
 - (4) To make arrangements for the conduct of examinations in conformity with the University directives from time to time.
 - (5) To maintain proper standards of academic records.
 - (6) To take active measures for improvement of standards of teaching, research and training.
 - (7) To discuss and review the co/extracurricular activities of the college.
 - (8) Maintaining discipline in the campus.
 - (9) Maintain the Minutes of the Meeting.
 - (10) Anti-Ragging, Grievance Redressal and Discipline Committees take care of healthy, enjoyable and disciplined culture in the college. It comprises of the Principal, HODs, Senior Faculty members and student

representatives(CRs). Various academic committees like library committee, Time-table and OTLP committee, Attendance Monitoring Committee etc. take care of day-to-day academic functioning of the Institute.

Key Indicator- 6.2 Strategy Development and Deployment

Metric					
No.					
6.2.1	The institutional Strategic/ perspective plan is effectively deployed				
QIM	QIM The College is well conveyed from its vision and mission statements. Stratplan and action plan are designed in such a manner that this quality polidriven and deployed during every process. Each process is regularized by a monitoring mechanism. They are,				
	Applying the innovative teaching learning methods such as Cooperative learning, Group discussions, Seminars, Project works and Lab Demonstrations.				
	Arranging Fieldtrips, Extension lectures and Guest lectures f students.				
	Use of teaching aids(ICT) such as Models, SWAYAM and N platforms, LMS video lectures etc.				
	Encouraging the faculty for research publications.				
	Motivating the students for Higher Education (Post Graduation).				
	Planting trees in the college campus was done by the students as a responsibility towards Mother Nature and a contribution to each student should plant at least one tree.				
	Proper maintenance of waste management system.				
	The college career guidance and Training placement cell prepared Action Plan to the improve the placement activities.				
6.2.2	The functioning of the institutional bodies is effective and efficient as visible				
QIM	from policies, administrative setup, appointment and service rules, procedures, etc.				
	The College has established written policies for all the important aspect governance. The participation of students, teachers and non-teaching staf				

decision-making processes is also specified in the relevant policy. Therefore, through the structures, processes, and practices, of governance, everyone associated with the College bodies work together for the development of the College.

Administrative Setup

TIER 1: As the institution is a government college, it functions under the direct administrative control of the Commissionerate of Collegiate Education, Andhrapradesh, which is headed by the Commissioner of Collegiate Education. For the efficient functioning of all the colleges under its ambit, the CCE issues a number of instructions from time to time, prescribing rules, regulations and procedures in dealing with academic, administrative and financial matters.

TIER 2: At the apex in the college-level administrative setup, is the Principal, who is the academic and administrative leader of the college. The tasks of planning and supervision of the execution of annual academic plans, cocurricular and extra-curricular activities, are performed by the Principal in consultation with the staff members of the college. He is responsible for the overall development of the college and is assisted by the Vice-Principal, who is the senior-most faculty of the college.

TIER 3: The next level is made up of the Teaching and Non-Teaching staff.

- Teaching staff: The college has departments which are headed by In-Charges followed by other teaching staff members. The college also has a Physical Director and a Librarian.
- Non -Teaching Staff: The Upper Division Clerk (UDC) heads the nonteaching staff and all the other members like the Senior Assistants, Junior Assistants, Record Assistants, Office Subordinates and night watchmen are placed under him.

Committees: The College has the following committees to ensure the execution of all activities

- > Quality Assurance Activities: Internal Quality Assurance Cell
- Academic Activities: Academic/Examination Committee, Time-Table and OTLP Committee, Library Advisory Committee, Research Committee, etc.
- Administrative Activities: Staff Council, Special Fee Committee, Finance/Purchase Committee, Scholarship Committee, Building and Infrastructure Committee, RTI Committee, etc.
- > Extension Activities: N.S.S, Red Ribbon Committee, Eco Club,

	Women Empowerment Cell, Institutional Social Responsibility Cell, etc.				
	Career Guidance Activities: Career Guidance Cell, JKC, etc.				
	Grievance Redressal Activities: Grievance Redressal Committee, Internal Complaints Committee, Anti-Ragging Committee.

Key Indicator- 6.3 Faculty Empowerment Strategies

Metric				
No.				
6.3.1	The institution has effective welfare measures for teaching and non-teaching staff			
QIM	In our College Staff welfare is given foremost importance. In connection			
	with this, Existing welfare measure for teaching and non-teaching staff			
	are itemized below:			
	Health insurance.			
	Medical Leave & Maternity leave for eligible staff members			
	Faculty members are eligible for Earned Leave			
	Gym and Shuttle court is also accessible for the staff.			
	> As Institution has a multicultural environment in the campus, the			
	College committee ensures the celebration of all the festivals together.			

	Encouraging to attend and present papers in conferences both in India as well as abroad.				
	 Internet and free Wi-Fi facilities are also available in campus for staff 				
	 Teaching and Non-Teaching Staff Club organizes tour, and sports activities for the staff. 				
	 45 days - Summer and Winter Vacations for faculty members 				
	 Faculty development programs(FDP) for faculty members on 				
	regular basis.				
	Automation of attendance and leave using biometric system.				
	> The college also extends financial assistance to the needy students				
	for pursuing higher education in our institution as per the requirement				
	\succ All the staff members are treated on par with each other in				
	obtaining benefits from the College.				
	> Motivation through counseling is also available for staff members				
	to create a healthy working environment.				
	 Women Empowerment Cell is established for creating venues for 				
	women members to flourish and gain momentum.				
6.3.2	Number of teachers provided with financial support to attend

6.3.5	Institutions Performance Appraisal System for teaching and non- teaching staff			
	The performance of each employee is assessed annually after completion of			
QıM	one year of service. The objective is not only to objectively evaluate the			
	performance as per established norms, but also to identify potential			
	aspects for improvement that can eventually lead to further progress and			
	growth of the employee.			
	Teaching Staff			
	a) The performance of each faculty member is assessed according to the			
	Annual Self Assessment for the Academic Performance Indicator (API)			
	which is monitored by Commissionerate of Colligate Education, AP			
	b) Promotions are based on the API for UGC Career Advancement			
	Scheme (CAS)			
	c) The College undertakes a wide range of activities besides academics, for			
	which faculty members are assigned additional duties and responsibilities,			
	which are mostly voluntary. The Institute accords appropriate weightage for these contributions in their overall assessment.			
	d) The faculty members are informed well in advance of their due			
	promotion.			
	e) The API proforma filled by the Faculty Member is checked and verified by the Heads of the Departments, followed by the IOAC and the Principal			
	by the Heads of the Departments, followed by the IQAC and the Principal.			
	f) Faculty members whose promotions are due are recommended based on			
	their API score and are required to appear before the screening-cum-			
	selection committee.			

No	Non-Teaching Staff		
	• All non-teaching staff are also assessed through annual confidential		
	reports and annual performance appraisal. The various parameters for		
	staff members are assessed under different categories i.e. Character and		
	Habits, Departmental Abilities, Capacity to do hard work, Discipline,		
	Reliability, Relations/Co-operation with superiors, subordinates,		
	colleagues, students and public, Power of Drafting (where applicable),		
	efficient organization of documents (in case of Ministerial Staff) and		
	technical abilities (in case of workshop staff).		

Key Indicator- 6.4 Financial Management and Resource Mobilization

Metric				
No.				
6.4.1	Institution conducts internal and external financial audits regularly			
QIM	Response: The Institution has established a mechanism for conducting internal and external audits on the financial transactions every year to ensure			
	financial compliance.			
	The mechanisms used to monitor effective and efficient use of financial			
	resources are as below:			
	Before the commencement of every financial year, principal submits a proposal on budget allocation, by considering the recommendations			
	made by the heads of all the departments, to the management.			
	College budget includes expenses such, electricity, internet cha maintenance cost, stationery, other consumable charges lab equip			
	purchases, furniture and other development expenses.			
	The expenses will be monitored by the accounts of colleges.			
All vouchers are audited by an internal financial commit yearly basis. The expenses incurred under different thoroughly checked by verifying the bills and vouche discrepancy is found, the same is brought to the notice of th				
	Process of the external audit:			
	The accounts of the college are audited by chartered accounts regularly as per the government rules. The auditor ensures that payments are duly authorized after the audit, the report is sent to Commissionerate colligate Education (CCE, A.P.) for review.			
	 Any queries, in the process of audit would be attended immediately 			
	along with the supporting documents within the prescribed time limits.			
	> The college did not come across with any major audit objection during			

	the preceding years. External Audit is conducted once in every year by an external agency.				
6.4.2	3 0

6.4.3	Institutional strategies for mobilization of funds and the optimal utilization of				
QIM	M resources				
	Sources of funds	are as follow	s:		
	 1.Fees: Fees charged as per the university and government norms from students of various granted and self financed courses. 2.Salary Grant: The College receives salary grant from the State Government. For this, we prepare and send an annual budget of the estimated salary grant required to the state government. This grant includes salaries of the Regular Permanent lecturers, Contract Lecturers, Guest Lecturers and nonteaching staff as well as part-time teachers working on granted posts. 3. UGC or RUSA Grants: Grants Received from the UGC Or RUSA for the development and maintenance of Infrastructure, upgrade of the Learning 				
	Resources and R		······································		
	4. College received fund from Stakeholders, non-government boo individuals and Philanthropists.				
Resource mobilization policy and procedures			and procedures are as follows:		
	 1. The institution set up a RUSA Committees per the directions of RUSA Guidelines. 2. The RUSA Committee, in close coordination with the CPDC a IQAC, monitors the mobilization of funds and makes sure that t funds are spent for the purpose for which they have been allocat 3. The Purchase Committee takes care that purchases are done p and in accordance with the rules. 				
	• 4.The Co	llege Develop	oment Committee takes a review of the		
	mobilizati	ion of funds a	and the utilization of these sources periodically in		

their meetings.
• 5.Regular internal audits from the Charted Accountant and external
audits from the government make sure that the mobilization of the resources is being done properly .
• 6.The time-table committee looks after the proper utilization of
classrooms and laboratories.
• 7.The Library Advisory Committee takes care that the resources in
library are utilized optimally.
• 8. Campus cleanness and its utilization is monitored by the Campus
Cleanliness and Beautification Committee.
• 9. To ensure the optimum utilization of resources, the Principal issues
directions.

Key Indicator- 6.5 Internal Quality Assurance System

Metric	
No.	
6.5.1	Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes
QlM	
QIM	The IQAC Cell of the college works towards improving and maintaining the quality of education, identifying and suggesting new ways of using teaching aids, developing suitable infrastructure. IQAC is an effective and efficient internal coordinating and monitoring mechanism. The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality enhancement measures to be adopted. The IQAC meets every month to plan, direct, implement and evaluate the teaching, research, and publication activities in the College. The sub-committees dealing with various activities and departments implement the IQAC guidelines and report the feedback. The IQAC strives to spread quality culture through quality enhancement initiatives and best practices. Significant improvements in quality have been made by institutionalizing the following IQAC initiatives: Strategic planning of key areas and assigning responsibilities 1. Academic results 2. Student technical training 3. Student soft skills development
	4. Placement support
	5. Faculty development programs
	6. Research and development
	7. Interaction with industry
	8. NIRF accreditation
	Monitoring and mentoring of academic and administrative activities.
10170	

	1
	Academic inspections are carried out periodically to assess the quality of academics. The inspections involve:
	1. Review of healthy academic practices
	2. Mechanisms to identify and reform academic practices
	3. Review of departmental facilities
	4. Facilitate implementation of innovative methods in the departments
	5. Self-development of faculty members.
6.5.2	The institution reviews its teaching learning process, structures &
0.3.2	methodologies of operations and learning outcomes at periodic intervals
QIM	through IQAC set up as per norms and recorded the incremental
QIM	improvement in various activities
	IQAC being the central body within the college monitors and review the
	teaching-learning process regularly. Based on feedback various
	innovative activities and reforms were introduced. The improvements
	based on feedback implemented are:
	based on recuback implemented are.
	Academic Calendar: Based on the University Academic Calendar the
	Institute schedules the academic calendar well in advance at the start of
	the year with ample time frame for not only the regular teaching-
	learning process but also to accommodate the various events like
	seminar/ guest lecture/ workshops/ FDP's/ Hands-on-series and many
	more.
	Preparation of lesson plan for each Semester: The lesson plan is
	prepared by the faculty members for all the subjects they teach in that
	particular semester. Enriching the curriculum with guest lectures, and
	field trips.
	Tree of the
	Daily lecture Record(Teaching Diary & OTLP): Everyday faculty
	prepare and submit details of the lecture along with the topic covered on
	an online portal.
	an omme por an
	Evaluation of teachers by students: The college has a feedback system to
	evaluate the teachers by students. The regular evaluation of the teachers
	by the students, feedback on teaching methodologies, course delivery,
	attitude, strengths and weaknesses, difficulties faced in the subject give a
	clear idea about the problems faced by the students. Principal also
	monitor the feedback system and takes appropriate corrective actions.
	Student learning outcomes: The college monitors the performance of the
	students regularly. It has specified procedure to collect and analyse data
	on student learning outcomes; the following points are adopted by the
	on student rearning outcomes, the following points are adopted by the

	institute in this context:
	Regular class tests and interactions.
	Midterm and continuous evaluation comprising of internal tests, assignments, group discussions, and seminar presentations.
	Semester system of examination for all courses.
	> Timely Redressal of students' grievances.
	> At least 75% Attendance is compulsory in each semester.
	> Extra classes for weak students to solve their problems.
	Effective internal examination and evaluation systems.
	Students' result analysis: Institute has the provision of analysis of students' performance after the announcement of their semester results. If the result of the students, in a subject, is not found up to the mark, necessary steps are taken to find out the reasons and the concerned faculty members are counselled and motivated to work towards improvement.
6.5.3	Quality assurance initiatives of the institution include:
QnM	 Regular meeting of Internal Quality Assurance Cell (IQAC); Feedback collected, analyzed and used for improvements-YES Collaborative quality initiatives with other institution(s)-YES Participation in NUPE VES
	 Participation in NIRF-YES any other quality audit recognized by state, national or international agencies (ISO Certification, NBA)
	Options: B

Criterion 7 – Institutional Values and Best Practices

Key Indicator - 7.1 Institutional Values and Social Responsibilities

Metric	Gender Equity

No.	
7.1.1	Measures initiated by the Institution for the promotion of gender equity
QIM	during the year.
QIM	Promotion of gender equality is one of the most important programme of th
	institution. Different programme [or] activities are organized for welfare of female students, every year women's day is celebrated and girl students who ar
	studying in the college are honored for their achievements different interactiv
	sessions are organized, eminent persons from different fields are invited and
	discussed the problems of girl students. Different competitions like Debate
	Essay Writing etc Guest lecture are organized for girl students relate
	issues.
	Safety and security:
	Fire extinguishes are kept ready in the laboratories.
	To prevent the entry of unwanted visitors and to monitor the entry of student
	and visitors log books are maintained at the college entrance.
	Counseling:
	The college has been implemented the mentor system and conducting counselin
	programme.
	Common room and other facilities:
	The college has a separate common room for girls where they can relax durin the free time.
	Environmental Consciousness and Sustainability
7.1.2	The Institution has facilities for alternate sources of energy and energy
	conservation measures
QnM	1. Solar energy
	2. Biogas plant
	3. Wheeling to the Grid
	4. Sensor-based energy conservation
	5. Use of LED bulbs/ power efficient equipment
	Options: C
	A. 4 or All of the above
	B. Any 3 of the above
	C. Any 2 of the above
	D. Any 1 of the above
	E. None of the above

watse into a fertilizer Swachh Bharat activity is conducted once every week dipose the solid waste. The institution adopted platic free campus policy to mitig hazardous chemicals. Liquid waste management: Department of Botany has a Vermicomposting for composting the liquid orga waste. Waste RO water is channelized to plants in the garden. E-waste management: E-waste pertaining to old computers and other peripherals is set apart for disp through APTS, Andhra Pradesh E-waste of electronic items is minimized regular maintenance checks. Biomedical waste management: No Biomedical waste is generated. 7.1.4 Water conservation facilities available in the Institution: QnM The college has adopted rain water harvesting system in the main ground of the campus. The rain water is collected and directed to a deep pit through drains 1. Rain water harvesting 2. Bore well /Open well recharge 3. Construction of tanks and bunds 4. Waste water recycling 5. Maintenance of water bodies and distribution system in the campus Options: A. Any 4 or all of the above B. Any 3 of the above E. None of the above D.
