GREEN CAMPUS INITIATIVES

Activity - Tree Plantation

On July 1, 2022, a tree plantation drive took place within the college premises, involving enthusiastic participation from all NSS volunteers. The event aimed to enhance the environment and promote ecological awareness. Under the initiative, numerous trees were planted, contributing to a greener campus and a more sustainable ecosystem. This collaborative effort showcased the dedication of NSS volunteers towards creating a positive impact on the environment and fostering a sense of responsibility towards nature. The event stands as a significant step towards a more eco-friendly and vibrant college environment, fostering a spirit of environmental stewardship among the participants.

FOREST DAY –TREE PLANTATION

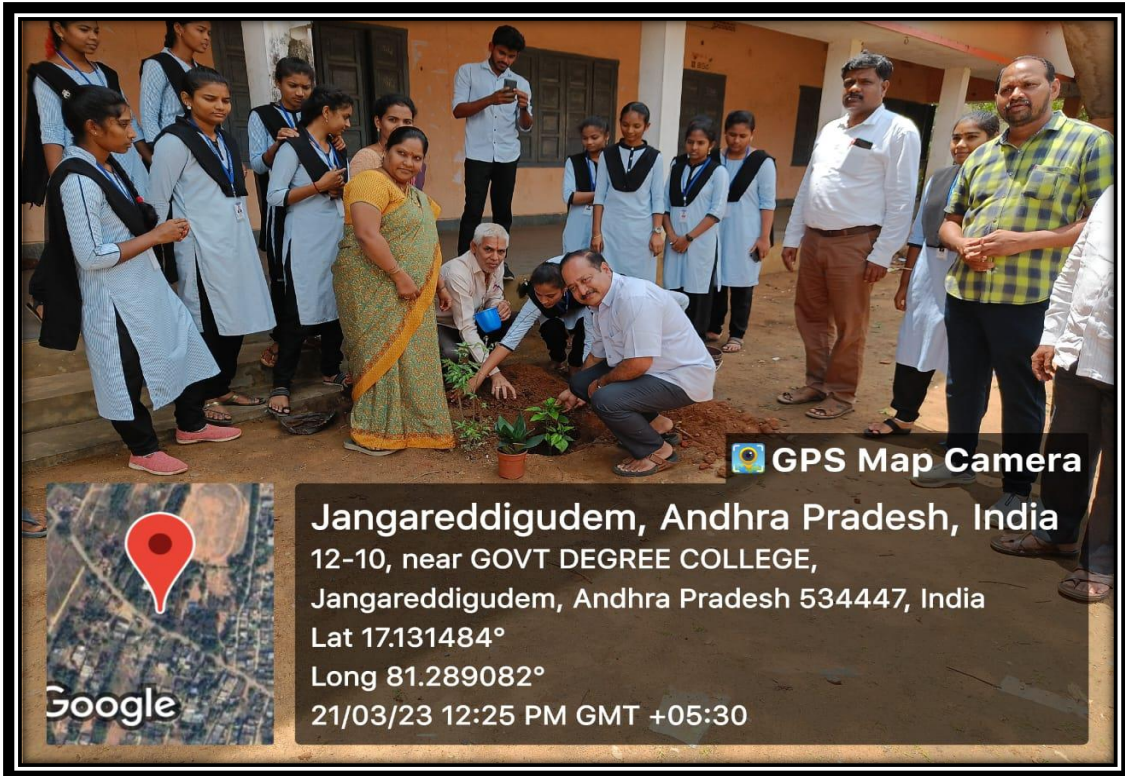

Forest Day Celebration

21-03-23

“Forest Day” was celebrated in CSTS Government Kalasala, Jangareddygudem on 21st March 2023. The occasion was organized by Horticulture Department in charge Ch Venkat Laxmi. As a part of this activity, many saplings were collected and presented to the Principal, Dr. N. Prasad Babu. The saplings were planted in the premises of the college by the Principal and other staff members both teaching in non-teaching and students. On this occasion the Principal addressed the gathering and asked the students to take up plantation drive on a huge scale. He said the trees need to be protected to conserve nature so that the ecological balance would be maintained and natural calamities like cyclones, droughts and tsunamis would not be happening again. He urged the students to take the message of afforestation and stop deforestation in and around our vicinity and that is the only way to protect nature and forests. The forest are considered the natural treasure of any geographical entity. To mark the occasion an essay writing by competition was conducted with the topic titled, “Forests and Health” and prizes were given to the students who got first second third places. The program concluded with the National Anthem chorus.
