ACTIVITY- Swachh Bharath Programme

Swach Bharath programme was conducted on 06-07-2022 in the college premises. All the NSS volunteers participated in this programme. The college undertook a waste removal and garbage cleanup initiative, focusing on creating a cleaner and more hygienic environment. This program involved active participation from students and staff, working together to eliminate waste materials from the college premises. The effort not only improved the aesthetic appeal of the campus but also contributed to the overall health and well-being of the college community. The initiative exemplified the institution's commitment to cleanliness and sustainability. By systematically addressing waste management, the college aims to instill responsible waste disposal practices and promote a culture of cleanliness among its members.

ACTIVITY- Swachh Bharat Programme

Swachh bharaat programme was conducted on 13-07-2022 in the college premises. All the NSS volunteers participated in this programme. In a proactive move, the college effectively tackled waste and garbage accumulation within its premises. A comprehensive cleanup operation was executed, targeting the removal of waste materials. The concerted endeavor involved the participation of students and staff, joining forces to eliminate litter and debris. This undertaking not only aesthetically enhanced the campus but also fostered a healthier and more pleasant environment. The initiative's success signifies the institution's commitment to cultivating responsible waste management practices, nurturing a culture of tidiness, and ensuring the well-being of its members.

SWACHCH BHARATH PROGRAMME

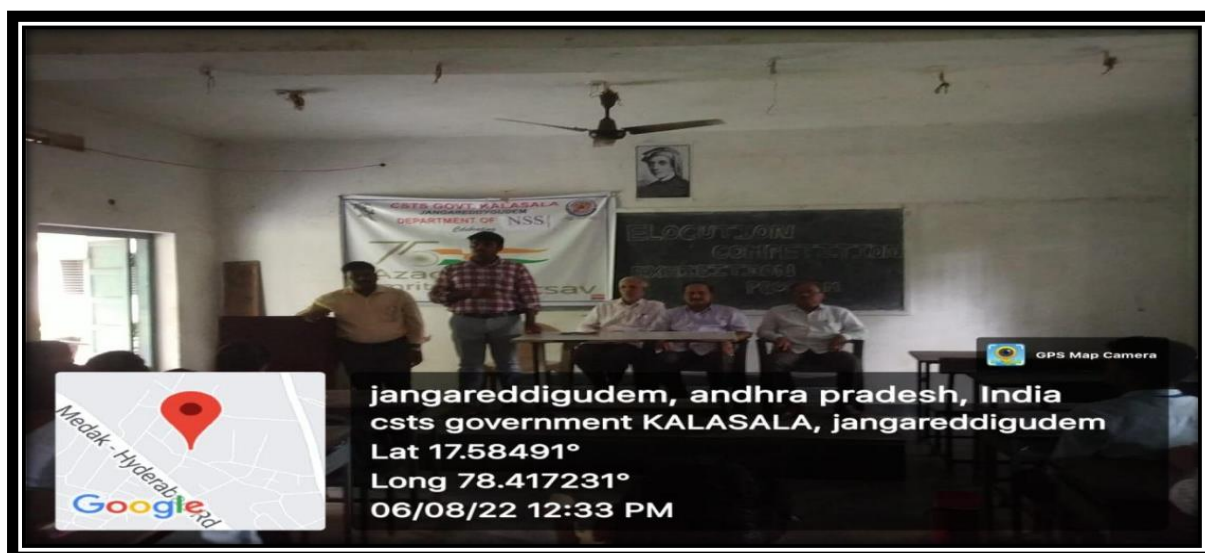

Swachh Bharath programme was conducted on 23-11-2022 in the college premises. With a resolute spirit, students have successfully concluded a transformative Clean and Green Programme. Their relentless dedication and active participation resulted in a campus makeover characterized by enhanced cleanliness and environmental vitality. By conducting rigorous waste management, organizing tree planting drives, and fostering recycling initiatives, the students displayed a commendable commitment to sustainable practices. The completion of this program not only visibly improved the campus aesthetics but also cultivated a heightened ecological awareness among the student body. Their collaborative efforts have laid the foundation for a more responsible and eco-conscious generation, ensuring a cleaner, greener future for the campus and beyond. All the NSS volunteers participated in this programme.

ACTIVITY- Azad kiAmruthMahaostavProgramme

On behalf of Azad kiAmruthMahaostavProgramme, On August 6, 2022, the college premises resonated with the voices of students participating in an inspiring Elocution and Exhibition event. This event was dedicated to commemorating freedom fighters and unsung heroes, who have significantly contributed to shaping history. Through eloquent speeches and captivating displays, students paid homage to their sacrifices and accomplishments. The initiative aimed to instill a deeper appreciation for the struggles endured for independence and justice. By acknowledging the often-overlooked heroes, the event encouraged a broader understanding of the nation's past and a renewed sense of patriotism. This gathering exemplified the college's commitment to fostering historical awareness and honoring those who paved the way. Prizes were distributed to those who stood first, Second, Third in the events. All the NSS volunteers participated in this programme.

SWATCHA BHARATH

Swachh Bharat (Clean India) in your college demonstrates a commitment to social responsibility and community engagement. Here's how you might articulate the significance of this activity in line with your college's mission:

The Swachh Bharat initiative, launched by the Government of India, is a nationwide campaign aimed at promoting cleanliness and hygiene. By participating in this initiative, we not only fulfill our civic duty but also uphold our college's mission of fostering social responsibility and community engagement. "At our Government Degree College, we believe in embodying the values of civic responsibility and community service. As part of our ongoing efforts to contribute to the welfare of society, we recently organized a Swachh Bharat activity on our campus.

Through the Swachh Bharat activity, our students, faculty, and staff came together to clean various areas of our campus, including classrooms, corridors, and outdoor spaces. In addition to cleaning, we also organized awareness sessions to educate our college community about the importance of maintaining cleanliness and adopting sustainable waste management practices. This activity not only helped beautify our campus but also instilled a sense of pride and ownership among our college members. It served as a reminder of the impact that collective action can have in creating a cleaner and healthier environment for everyone.

Moreover, our participation in the Swachh Bharat activity reflects our college's commitment to promoting environmental stewardship and sustainable living practices. By nurturing a culture of cleanliness and hygiene within our college community, we strive to inspire positive change and contribute to the larger goal of building a cleaner and greener India. Moving forward, we remain dedicated to continuing our efforts towards promoting cleanliness, hygiene, and environmental sustainability both within our college campus and in the wider community. Through such initiatives, we reaffirm our commitment to fulfilling our college's mission of creating responsible and engaged citizens who actively contribute to the betterment of society."
