1. Title of the practice:

- General Insurance Coverage for students.

2. Objectives of the practice :

- To provide protection against financial liability in the event of an unexpected accident, injury or death
- To instill in the students a feeling that the college is a home away from home.
- To provide solve to the bereaved family in case of an untoward incident.

3. The context:

- To pick the right service provider that suits the needs of the students.
- Mobilization of funds in order to meet the expenditure that would be incurred towards purchase of the policy.

4. The practice:

- The practice educates an emotional attachment between the student and the institution and instills in the students a sense of belongings towards the institution.
- Create good faith and healthy rapport between students and the staff. This is essential for a healthy envioning in the college.
- The primary constraint in implementation of this practice was to arrive at consequences regarding the most appropriate policy at an affordable pricing. A covered was attack after hours of brain-Arming and consultation which various services provide.

5. Evidence of success:

- Thankfully evidence of success could not be established as none of our students met with untimely accidental deaths. The gratitude expelled by the parents of the students remains the sole parameter through which the success of the practice would be established.

6. Problems encountered and resources required:

- Since most of our students paid from BPT families, the responsibility of paying the premium for 193 students was shouldered by the college.
- The partial amount from the fee paid by the students to the college was set aside towards payment of premium for the said policy.
