**CSTS (CHATRAPATHI SHIVAJI TRISATHAJAYANTHI)
GOVERNMENT KALASALA, JANGAREDDI GUEM**

Late Sri Ch. Murthiraj Garu, the Founder of CSTS Govt Kalasala was an impeccable politician, a socialist, a humanist and freedom fighter. He was the youngest socialist chairman of India and served the Tenali Municipality Tenali for three consecutive terms. He was a politician par excellence, a superb player of tennis and a champion of the valley ball sections.

JangareddiGudem famous as Andhra Paris did not have even a single educational institution of higher learning even in late 1957s. The poor especially the weaker sections of JangareddiGudem, Kunavram, kukkunooru, Velerupaadu, and Buttaigudem mandals were unable to go for higher education due to lack of an institution. Sri Murthy Raju conviction that upliftment of the poor and disadvantaged sections is possible only by means of providing higher education to them resulted in the establishment of CSTS Kalasala in 1957. Mustering strength in every way from different angles, he established with people committed for the cause of education. After crossing the infantile hurdles, it began to grow by leaps and bounds and witnessed many fast phases of progress and it became a prestigious institution. Generations of students remember Sri Murthy Raju founder of the College and Sri Chitroju Surya Narayana garu land donor of the College. He has donated 15.7 acres.

CSTS Govt Kalasala is one of the famous colleges in the west Godavari District with its well Structured buildings, an auditorium with the latest equipment which can accommodate 200 members, a Gymnasium, fitness center. Computer Lab with AC provision, well equipped labs, a spacious Library with thousand of books on various subjects, a vast playground with provision for Cricket and Tennis games, hostels, Canteen, cycle stand,, waiting room for girls. planted by teak trees and beautiful gardens with Chatrapati Statue and Murthy Raju statues, all enclosed by compound wall on four sides.

Students of this college are fortunate to have the facilities to play any game of their choice Fitness center is an attraction . CSTS College produced a number of National/ International players and coaches . Our Students received many awards is an old student of our college.

Dr. N Prasada Babu

Principal of the CSTS Govt. Kalasala

The present principal is keen on improving the standards of the students by following the latest trends. Realizing the educational needs of the present day, the Secretary Sri Dr. N. Prasada Babu involves and motivate all the members to reach the goals.

Dr. N. Prasad Babu enhanced the image of the institution by motivating all the stakeholders to successfully face the two academic challenges and NAAC accreditation. The college is geared to face Autonomous Committee and NAAC Peer Committee for the third time.

CORE VALUES

The vision, mission and core values are posted on the website. They are integrated into programs and communicated to all the stake holders. One of the missions of our institution is to cater to the higher educational needs of this area in general and of the weaker sections in particular so that access and equity are provided and its vision is to produce competent, committed, socially responsible, human resources. Since its inception our institution has been after outreach programs, which develop a sense of commitment and social responsibility and by offering quality education at a low cost, and by inculcating values, it has been contributing to the national development.

Global Competence

The concepts of globalization, liberalization and privatization are drilled into the minds of the students to emphasize the need to acquire skills to face global competition. Offering a number of value added certificate courses, organizing thought provoking national seminars on the burning issues, involving students in decision making, giving freedom to them to take lead in community outreach programs, and motivating them to take part in innovative programs and by giving them access to the knowledge and skills, necessary to navigate and succeed in today's interconnected world.

Value System among the Students.

One of the missions of our college is to facilitate young learners with opportunities to hone their ethics and leadership potential. The last hour of every Saturday is demarked for value based education in which students take lead , speak on burning issues of contemporary society, especially on the untoward incidents making the fair sex target and on corruption, pollution, adulteration, trafficking etc., Their participation, expression of their feelings, sharing the views of the speakers interacting with them go a long way . The Foundation Course on ‘Human Values and Professional Ethics’ is useful to the students but their involvement in the last hour of Saturdays prove to be more useful.

Technology

Use of technology has become a basic need as it provides education crossing borders and continents. Online courses, Video conferences and applications like G Meet, Zoom, Cisco WebEx have created a global platform of teachers and students who can share knowledge in an easy and convenient manner. Teachers remain in constant touch with their students through e-mails and have access to a gamut of information within seconds. Online libraries and e-books, Use of animation, videos, multimedia aids have transformed traditional learning methods by making it more engaging, fun and entertaining. Education through technology is innovative, economic, entertaining and inspiring. There is a need to promote the use of technology more and more. Use of technology as a learning resource, managing the activities of the institution in a technology-enabled way will ensure effective institutional functioning.

Quest for Excellence

Our institution is committed to provide the best educational experience possible to every student. Innovative methods of teaching, access to the entire world in no time through technology, information about the entire world promotes a sense of competition, which leads to quest for excellence.

The Library

As Library is the heart of institution, it is being given priority since its inception in 1974. It is a well established and well ventilated library, which has been acclaimed as one of the best libraries in Eluru District.

The paradigm shift in higher education due to globalization has brought many changes in the libraries. As the focus is on the learner-centered learning, libraries have become more important than ever. Our Library has become user-friendly, sees that students make use of technology for their good, develops information focused on patron's needs and tries to satisfy the higher expectations of information conscious user community.

The library has 5,529 volumes and 13 journals. It offers orientation to the new comers, prompt service to the users and guidance at every step. It offers Circulation services, clipping services, Information display and notification services, Reprographic services and internet facilities.

It takes feedback from students, maintains a complaint box. In connection with Library week celebrations, it organizes competitions in Book Review, Essay writing, singing, debate etc annually. It gives Optimum User of the Library award every year. With the help of the Library Committee, the librarian enriches the library in every way. Once the institution has become autonomous and accredited by NAAC, Library follows the guidelines of the UGC. Giving importance to ICT, It has automated to a great extent.
