Conducting work shop on "Nurturing of Administrators" by Politics and History Depts of CSTS Kalsala is really an innovative thought. All the supporters who stood behind the programme are highly appreciated.

Interaction with social studies teachers of high schools who lay basics in minds of teenagers is advisable.

The programme is really a successful one with the triggering speech of the principal of the CSTS Kalsala. The resource persons made use of the opportunity to impart knowledge regarding the topic given. All the participants inspired a lot to inculcate the qualities of a good administrator to their students. It is also suggested to conduct such programmes in future also. Thank you.
