EMPLOYER FEEDBACK ON CURRICULUM

2023-24

Action Taken Report

Based on employer feedback, significant steps have been taken to improve the curriculum. The course content has been revised to better align with industry requirements, incorporating more advanced topics and real-life case studies. Problem-solving and practical applications are now integral to the teaching-learning process. Students are encouraged to support their peers who may struggle academically. Stronger relationships with industries have been established, providing students with valuable internships and job opportunities. Additionally, industry experts are invited to the college to share their experiences and insights on the programs offered.
