## **Parent-Teacher meeting**

### **Objectives**

**Parent-teacher meetings serve several key objectives:**

- 1.Student Progress: To discuss a student's academic performance, strengths, weaknesses, and areas needing improvement.**
  
- 2.Communication: To foster open communication between parents and teachers, sharing insights into a student's behavior, social interactions, and learning abilities.**
  
- 3.Goal Setting: To set goals and strategies for the student's academic and personal development.**
  
- 4.Problem Solving: To address any concerns, challenges, or issues a student might be facing, devising solutions in collaboration with parents and teachers.**
  
- 5.Partnership: To strengthen the partnership between parents and teachers in supporting the student's overall growth and success.**

## **STUDENT-PARENTS MEETING**

**Our beloved Principal Dr. N. Prasad Babu , all the faculty members of science Departments met in the Principal Chamber to finalize the schedule of Student's Parent Teacher meeting on 15-02-2023 at our college in Science Block. As a part of the program, all science departments arranged the Student's Parents meeting on 27-08-2022. 52 student's parents came to our college. The reception committee of our college received parents and asked them to gather in the science block for meeting.**

**The meeting was inaugurated with the honorable Principal of the college. He explained the history of college thoroughly to the student's parents. And also explained the major achievements received by our college for the past two years. College Mathematics Department Head, Dr. CH. Badari Narayana, elaborate parents how the develop good rapport between the parents and the teachers.**

**Later on, parents are also gave suggestions to the teachers (Lecturers) and the College committee collected Feedback form and analyzed. In this program, the college Chemistry HOD Sri. U. VenkataCahryulu, Chemistry faculty Dr. M. Madhu, Physics faculty Sri. G.V.Gangadhara Rao, Botany Faculty Smt. T Jhansi Rani, Telugu Department HOD Dr. Venkata Lal, English Department Head, Dr. G. Srinivasa Rao, Zoology Faculty Smt. R. Vijaya Deepika , Horticulture Lecturer Kumari CH. Venkata Lakshmi, and students of the college participated and made this meeting a success.**

**Later every parent with their students met Smt. R. Vijaya Deepika, Lecturer in Zoology at Zoology lab. During a parent-teacher meeting at college involving hostel wardens, conversations primarily focus on students' academic progress, behavior, and overall well-being. These discussions revolve around understanding a student's performance, addressing any concerns or challenges they may face, discussing their participation in extracurricular activities, and ensuring a supportive environment within the hostel. Parents, teachers, and wardens collaborate to create strategies for academic improvement, emotional support, and fostering a conducive learning environment for the students residing in the hostel.**
